Biography: William B. Goodrich

Born 12/1/1821 in Wilna, Jefferson County, New York. He graduated from the Wesleyan Seminary in Gouverneur, N.Y. He served during the war with Mexico and after the war lived in California for about a year during the Gold Rush. Goodrich then returned to the North and attended law school at Ballston Spa, N.Y. He ended up practicing law in Madrid, St. Lawrence County, New York.

In 1856 Goodrich was appointed judge advocate of the 33rd regiment, New York State Militia. He became a journalist and part owner of the *St. Lawrence Plain-dealer* [sic] in August of 1856. In August 1861 Goodrich opened and headed an enlistment-roll in the Town of Canton. WELLS PAPERS
Description of Series

P.H. Wells was born 12/16/1837 and married Sadie Olin, daughter of William Olin. They had four children as far as can be determined from the diaries: Minnie (born 11/17/1870), May (could not find a birthdate but was a baby in 1878), Mary, and Sadie.

Wells seems to have been in the Navy, as many of his letters are on Naval Office stationary, Brooklyn Office. Wells resigned on or about June 28, 1890, due to illness. His family visited in Madrid and Gouverneur where her parents and family apparently lived.
