

**Current, The Journal of North Country Action Records**

Mss Coll. No. 148

Size: 4.25 linear feet

**History:**

*Current, The Journal of North Country Action* was founded in 1985 as an outgrowth of local dissatisfaction with the bias, low quality and frequent irrelevance of press coverage on issues of critical importance to Residents of New York State's North Country. Conceived under the umbrella of a progressive coalition group, *Current* has evolved into an independent, non-profit publishing cooperative dedicated to providing commercial-free, reader-supported regional news and commentary on a bi-monthly basis.

**Scope and Content:**

These records include Administrative records, Environmental and Human Rights newspaper clippings, Magazines, Scrapbooks and Videotapes. The dates range from 1977 to 1993.
